**CONSTRUCTION**

Two deep-drawn, tension-leveled, galvanized steel skins are polyester painted and wrapped around a one-pound density expanded polystyrene insulation board using a polyurethane adhesive. This construction method provides insulation value, durability, sound deadening qualities, and dent resistance for an all-around superior product.

A. Nylon 11 ball rollers provide quiet operation and long lasting durability.
B. Heavy duty galvanized 14 gauge hardware
C. Tongue and groove design provides weather tight section joints
D. 2” expanded polystyrene insulation provides an R-Value of 10.25.
E. Steel skins inside and out provide maximum durability.
F. Bottom weatherstrip follows contours of your garage floor to seal out weather.

LIFE TIME LIMITED WARRANTY

Anderson Door Company warrants the door sections of models 65, 66, 67 and 69 against rust-through due to paint finish cracking, checking, or peeling (losing adhesion) as follows: (1) in residential single family installations for as long as you own your home; (2) in all other residential installations for ten (10) years from date of purchase by the original purchaser. If the sections are found to be defective upon inspection by authorized Anderson personnel, Anderson will replace or otherwise repair (at our option) any such defective sections. Surface of models 65, 66, 67 and 69 are warranted for the third year from date of purchase by the original purchaser against disintegration (steel skins expanded due to rusting). This warranty does not apply to commercial, industrial or non-residential applications. All labor charges shall be the responsibility of the consumer. This warranty extends to and benefits only the original purchaser of the garage doors. For full warranty details or to make a claim under the warranty, contact your local Anderson Door Company dealer.

Some states do not allow the exclusion or limitation of consequential or incidental damages, so the above limitation or exclusion may not apply to you.

This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

**Beauty & Strength**

Enhance the appearance of your home with the Deluxe Plus Series. These handsome residential garage doors combine the beauty of wood with the strength and easy care of steel. Deluxe Plus doors are available in four styles: Model 65 raised short panel, Model 66 flush panel, Model 67 raised long ranch panel, and Model 69 raised medium panel. Deluxe Plus doors feature a solid polystyrene core bonded between two sheets of steel, providing a high insulation value plus durability and quiet operation. Quality, design and style are engineered into every door.
